Important Information

Fun Run

There are still a number of students who have not returned their Fun Run forms. These need to be returned with or without sponsorship. As funds are used to support a charity we need to ensure that all money is accounted for. Those families who have not returned the sponsorship money or empty form will be asked to complete a statutory declaration to indicate how much money was raised by their family or that no funds were raised.

Canberra Excursion

Students have arrived safe and sound in Canberra and are having a wonderful time.

Mrs Courtney has been posting updates on the school’s Facebook page. She will continue to do this especially in relation to their expected arrival time on Friday evening.

Facebook Page

To help provide improved communication between school and home, our school now has an official Facebook page. This will be a great way to provide, last minute communications about excursion changes or wet weather postponements, etc.

Enrolments

If you are aware of any new families that have moved or are moving into the area. Could you please ask them to come and see the school for enrolment information. I am attempting to confirm our numbers for next year and staff our school appropriately for next year.
