Important Information

2016 Staffing
At this stage I have 78 enrolments for next year. This is the number required to gain a teacher for a fourth class. This would be of great benefit to the students as class sizes would be no greater than about 22.

However, there are a number of students who have indicated that they may be moving to other schools. If these students are correct we will only have 75 students for next year. Could those parents considering a change of school please confirm your intentions with us so that we can effectively plan for 2016.

I ask that all Girvan, The Branch, Booral, Allworth and Limeburners Creek families encourage any new neighbours to send their children to our school.

Physical Culture National Competition

On Saturday morning Sienna took on around 80 6 year old girls from around Australia. These girls were the best in their Zones for their age. It was tough competition. Sienna did her dances and was then selected to move to the semi final (approx. 30 girls) from there she made it to the finals against 15 girls. Unfortunately Sienna was not one of the five picked to go to the Opera House, but we are so proud of her. She was awarded a Finalist medal for her achievement.
