Updated 2016 Staffing

At this stage I have 76 enrolments for next year. This is one student short for the number required to gain a teacher for a fourth class.

There are still a number of students who have indicated that they may be moving to other schools. If these students are correct we will only have 74 students for next year. Could those parents considering a change of school please confirm your intentions with us so that we can effectively plan for 2016.

I ask that all Girvan, The Branch, Booral, Allworth and Limeburners Creek families encourage any new neighbours to send their children to our school.

Volunteers’ Morning Tea

The SRC would like to invite any parents or community members who have volunteered in any way to support our school and its students throughout the year to our Volunteers’ Morning Tea. This will be held on Friday 4th December in the school library. Please reserve this date on your calendars.

Presentation Night

Our school Presentation Night will be held on Monday 14th December 2015. The night will begin at 5:30pm. Families are invited to bring a picnic dinner to have at the conclusion of the formal presentations.

Rewards Day

Our final Rewards day will be on Wednesday 16th December 2015. Our day will be held at Stroud Pool. The P&C will be giving each student a free sausage sizzle on the day. Permission note and cost will be forwarded shortly.

School’s Facebook Page

Our school’s Facebook page is a great way to keep up to date with what’s happening in our school. There are lots of great photos and information about school events. The link to our Facebook page is:

Important Information

High Temperatures

There has been an increase in the number of students not feeling well after break periods, due to the warm weather. Please encourage your child to drink more water than normal during days where it becomes quite hot or choose activities that are less physical.

Please ensure that students come dressed in appropriate clothing for hot days. We are still noticing some students coming to school in tracksuit pants or wearing shirts or singlets under their uniform.

At school we encourage students to drink more water during the day, as well as choosing activities that require less physical activity. This is to help reduce the risk of dehydration or heat stress.

On extremely hot days we will move the students inside during their break periods, similar to wet weather.
**Christmas Raffle**

Please don’t forget that P & C is running a Christmas Raffle to be drawn on Presentation Night. We have had a few donations but we really need some more Christmas items to make the raffle a success. Please help us out & send in your donation as soon as possible. Raffle tickets were sent home last week. All tickets sold or unsold must be returned by 14th December.

THURSDAY 3rd December
Band Shirts

Band members are looking forward to obtaining new band shirts embroidered with a special logo. We know that our band members will wear their shirts with pride.

SRC Christmas Disco

All students are invited to attend a Christmas Disco at the Booral Hall between 5.30 and 7.30 p.m. on Thursday 10th December. It is anticipated that two teachers will be in attendance. Students are encouraged to come dressed in an outfit which suits the Christmas theme. The SRC will have drinks, chips, iceblocks, glow bracelets and Santa rings available for purchase. Profits from the sale of these items will be donated to Stewart House. A price list for these will be sent home next week. Entry to the disco is free of charge, thanks to Booral P &C who have kindly offered to cover the cost of the disco hire.

The last two weeks we have been swimming. My teacher’s name was Carolyn. We did swimming at Stroud Pool. It is fun. Friday was the last day of swimming. I liked practising stuff that I could not do. When we finish doing the stuff that we had to do, then we got to do free play. We were not allowed to go to the deep end. I’m in group two. I love group two that is my favourite group in the world. I love swimming a lot.

Arianna

The last two weeks we were going to Stroud Pool and my teacher was James. We had to push off the wall if you wanted to do a rocket. The water was cold and sparkly.
