Is your child participating in the 2015 Premier’s Reading Challenge? It’s not too late!
The PRC “aims to encourage in students a love of reading for leisure and pleasure and to enable them to experience quality literature. It is not a competition but a challenge to each student - to read, to read more and to read more widely.”
All participants receive an award from the NSW Premier at the end of the year and special Gold and Platinum awards are presented to students who participate for 4 years and 7 years, respectively. Students who participate every year from Years 3 to 9 receive a special medallion. More information and full details can be found on the PRC website at https://online.det.nsw.edu.au/prc/home.html
If you would like your child to participate in this important state-wide challenge, please contact me. You are also welcome to contact me if your child is already participating and you are experiencing any difficulties logging their books.

Term 2 - Talent Quest
The SRC (Student Representative Council) have discussed organising a Student Talent Quest during school hours in Term 2. Proceeds would be donated to Stewart House. Acts could be solo, pairs or groups. At this stage, we are asking families to discuss the concept with their child/children. Acts could be singing, dancing, comedy, mime, musical instrument, skit, magic act, poetry recital etc.

So that we can get an idea of how this may be best organised, we are asking interested students to complete and return the accompanying Expression of Interest on or before Wednesday 1st April.
