HANDBALL RULES

Rules for Handball at Booral Public School. If you choose to play Handball here you are agreeing to play by these rules.

ACE    KING
QUEEN  DUNCE

How To Play

1. If you are out you must leave the court and go to the end of the line which is outside the court boundary.
2. The ACE serves the ball bouncing it once within their square before bouncing in the opponent's square.
3. Once the serve is completed, the receiver must hit the ball to another player.
4. The ball must be hit so that it bounces in your square on the first bounce and another person's on the second bounce.
5. If the first bounce hits another player's square, the player has "fulled" or hit a "full" and whoever hit the full is out.

You are also out....

1. If the 1st or 2nd bounce lands outside the court, the person who played the ball is OUT.
2. If the ball bounces twice in the person's square the person in the square is OUT.
3. If the ball is touched twice in a row by the same person, THEY ARE OUT.
4. If the ball is HELD or SCOOPED, the person who did it is OUT.
5. If any player interferes with another player (physically or verbally) during a game, HE OR SHE IS OUT.

Other Rules

Outside Lines—When the ball lands on the outside line of your square, it is play on. (No replay)
Inside Lines—If the ball lands on a line between two squares, either player may hit the ball. If the ball is played and missed, the person who played the ball is out. If neither player attempts to hit the ball, it is a replay.
Interference—When someone not in the game distracts you, the game is stopped and must be replayed.
