Head Lice Treatment

Booral P & C in conjunction with Stroud Pharmacy wants to help our school community to overcome the spread of Head Lice in our school. We are selling Moov Head Lice treatment & Triple Action Lice Combs through the school office. Brian at Stroud Pharmacy has generously given us a 15% discount off the purchase price & P & C has also subsidized the products to bring the price down even further.

This means that we can offer you Moov Head Lice Treatment solution for $14.00 & the Triple Action Lice Combs for $5.00. A considerable saving off the normal retail price.

You can purchase these products by either sending in your money in an envelope to school or you can pay via the school web site.

If you would prefer not to purchase the Moov but to purchase a treatment that you feel comfortable with we have also sent home a $5.00 off voucher that can be used at Stroud Pharmacy towards the purchase of a Head Lice treatment.

Once the campaign has concluded, all completed entry forms need to be sent back to Sydney Markets where they all go in a draw to win some fantastic major prizes. Prizes this year include:

Road safety -

When Driving:
Make sure your children are in an appropriate child car seat that is fitted and used correctly.
Make a rule that every child passenger must be securely buckled into a seatbelt or child car seat before you start the car.
A sleeping child must remain firmly buckled up while the car is in motion.
Always give way to pedestrians particularly when entering and leaving driveways.
It’s safest for children to get out of the car on the kerb side of the road to be away from passing traffic.

When Walking:
Always hold your child’s hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
Remember, drive safe - our child’s safety depends on you!
Talk with your children about Stop, Look, Listen and Think every time they cross the road.
STOP! one step back from the kerb.
LOOK! for traffic to your right left and right again.
LISTEN! for the sounds of approaching traffic.
THINK! whether it is safe to cross.

When Cycling or Using Scooters, Skateboards or Rollerblades
Your child must wear a helmet when riding a bike in any public place – it’s the law.
Your child’s helmet must comply with the Australian and New Zealand Standards. It must be securely fitted and fastened on their head.
Check that your child wears a bicycle helmet whenever playing or riding on wheels – bikes, foot scooters, roller skates, skateboards or rollerblades. The helmet should be firmly buckled so it fits without wobbling or slipping to the sides. It must protect the forehead.
Although children quickly learn to pedal, steer and brake, they are not ready to cycle near traffic or on the road.
Children under 12 and adult riders accompanying and supervising them may ride on the footpath, unless there are signs specifically prohibiting cycling.
When riding on the footpath, cyclists must keep to the left and give way to pedestrians. Children need to take special care at driveways where vehicles may be driving in or out. At intersections, children must dismount and wheel the bicycle across the road as a pedestrian, following the ‘STOP ! LOOK ! LISTEN ! THINK !’ procedure.
